Rotex Supply (Ontario) Inc. is very pleased to announce we have partnered with Direct Line Enterprises to professionally represent our company in Eastern Canada. Direct Line Enterprises is a national sales agency of independent manufacturer's representatives serving the Safety, Industrial and MRO channels. Their extensive experience and knowledge of distribution and the marketplace will provide a solid foundation for growth and success in the Eastern Canada region.

Effective August 1st, 2018, Direct Line Enterprises will represent the Rotex product line which includes Rotex brand reclaimed and new wiping cloths, SpillTech oil absorbents, and spill response kits.

They will report directly to Sid Oscar, who will remain as our Sales Manager and who will continue to manage the territory.
